The OrionPRO LED is a IP20 rated, 24V cool white LED flexible strip light, which is easy to install due to the 3M self-adhesive backing. The OrionPRO LED produces 8W with 378 LED's per metre. The benefit of the COB is it allows for a seamless line of light without where you don't see the dots. You can cut the tape every 4cm's and reconnect as required. Supplied on a 15M reel which can be run in one continuous strip without any voltage drop. Accessories sold separately.
