# PARAGON CCT

High performance, wattage selectable commercial downlight

Paragon CCT - The latest commercial downlight in the Saxby range, crafted from durable diecast aluminium. It offers 4 selectable wattage outputs with a maximum lumen output of 4060, ensuring optimal brightness. With 3 colour temperature options 3000K, 4000K, 6000K which you can easily change at the flick of a switch to customise the lighting to suit any environment. Ideal for offices, retail spaces, and industrial settings, the Paragon CCT delivers reliable performance and versatility.
