Price: £27.50 ex. VAT

● 100 In Stock

Lunaro 3-Phase offers enhanced control through multi-circuit track systems. This fitting allows multiple lighting circuits on a single track, giving you the ability to switch zones independently. It features multiple wattage settings for adaptable output, along with 350° rotation and 90° tilt for directional precision. Available in matt black or white finishes.

Fully adjustable

350 degree rotation and 90 degree tilt

Matt white

Constructed from die cast aluminium alloy

Shipment Carton Qty: 20
