SMART SYNC

PRODUCT DESCRIPTION

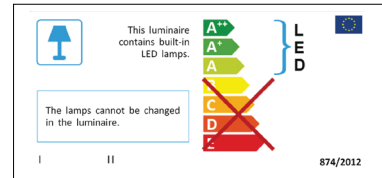

ECHO is a spot light incorporating RGB+CCT wireless technology. Tunable white colour temperature 2700k - 6500k plus multiple colour changing programmes all in one fitting. Control independently or synchronise using a range of dimmable touch remotes. Use our T-WIFI2 to enable WIFI control via the GAP Light App. Auto-transmission functionality extends the range between fittings by up to 30m. Surface mount, with optional spike.

T-RGB-CCT

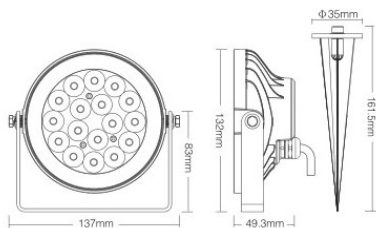

T-8Z-REMOTE
