SIENA SELECT
LED WALL PACK

The Siena Select Dual Wattage LED Wall Pack is ideal for illuminating exterior spaces, such as pathways, car parks and garages.

Manufactured with high quality, high performance LEDs, these Wall Packs give up to 90 delivered Lumens per circuit Watt and are available in a choice of Standard, Emergency, Photocell and Photocell with Emergency variants. All have dual Wattage outputs, 3 CCT switchable colour options and a robust IK10 impact rating, it makes for a very versatile range. With its aesthetically pleasing slim design, this is an ideal replacement for older 2D fluorescent Wall Packs.

SIENA SELECT	18W	30W	CRI:Ra
3000K	1500 Lumens	2475 Lumens	83
4000K	1605 Lumens	2710 Lumens	87
6000K	1515 Lumens	2475 Lumens	84

These high quality Wall Packs are IP65 rated and are constructed out of polycarbonate, both body and lens, making them the perfect solution for high saline areas. Siena Select has multiple cable entries, helping with retrofitting and is backed by our full 5 year warranty, giving you the peace of mind and years of trouble free service.
