Navara Blade & Recessed Bracket For KSR98101 & KSR98125

Emergency Lighting Accessories

Data Sheet

Product Information

Introducing the **Navara Blade & Recessed Bracket** for the KSR98101 & KSR98125 LED Emergency Bulkheads, these **accessories transform a standard Emergency Bulkhead** into a surface fitting with **hanging blade** which **keeps the IP integrity** of the fitting, making them ideal for underground Car Parks, and a **recessed frame** to house the bulkhead where there is less headroom, the blade can also be used when being recessed.

They are ideal for numerous Emergency applications both internal and external where an emergency escape route is required. The **KSR98116 Blade is complete with all Legends** to suit each Exit or Escape route requirement.
