

# NAVARA X IP SELECT

## ANTI-CORROSIVE BATTENS

Introducing the Navara X IP Select battens: a lighting solution that offers unparalleled versatility. This product line combines six different lighting options into a single, easy-to-install fitting, empowering users to select their preferred colour temperature and wattage for any installation. Each fixture provides a choice of 3000K, 4000K, or 6000K colour temperatures, along with selectable wattages, ensuring optimal lighting for a variety of commercial and retail environments.

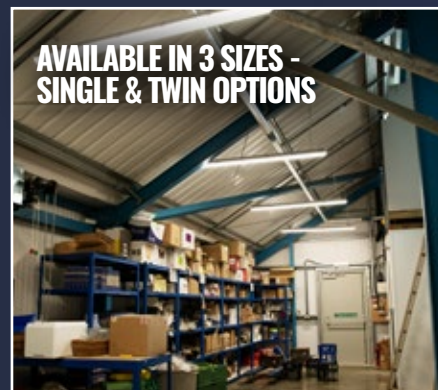

Designed with cost-efficiency in mind, the Navara X IP Select series is the ideal choice for diverse application needs. The range includes standard and emergency options. Additionally, optional integral plug and play on/off microwave sensor (KSR98195) or plug and play microwave sensor with corridor function (KSR98196) can be easily installed for enhanced functionality.

These fittings boast an IP65 rating, guaranteeing protection against dust and water ingress, and are offered in both Single (up to 35W, delivering 4718 lumens) and Twin (up to 57W, producing 7877 lumens) models. The robust IK10 impact rating ensures durability, making them suitable for high-risk areas where they may encounter impacts of up to 20 joules.

Installation is a breeze with the included push-fit terminals, and each unit comes complete with premium stainless steel fixtures and diffuser clips. With an impressive L70 lifespan of over 54,000 hours and backed by a comprehensive 5-year warranty, the Navara X IP Select range promises long-lasting, maintenance-free performance.

## FEATURES & BENEFITS

- 5 year Warranty
- Simple and cost-effective solution for a wide range of Commercial and Retail applications
- Set the output of the fitting via the power switch located on the driver
- Switch between 3000K, 4000K and 6000K
- Up to 7877 Lm | 125° beam angle
- High efficiency LEDs up to 140 Lumens per circuit Watt
- CRI:Ra 80 | L70 - 50,000hrs
- Integral microwave sensor available

## COLOUR OPTIONS

Grey

## CONSTRUCTION

Body - Polycarbonate  
Diffuser - Opal Polycarbonate  
Clips - Stainless Steel
