

FIREBREAK QR SELECT DUAL

Firebreak Qr Select Dual is one of the latest downlights in our Qr range. Whether you want a choice of dual wattages or a different CCT colour, this is the ideal product for you. It has been designed as a cost effective one-piece downlight, suitable for all domestic applications where you are unsure what the customer requires. This will save you time and money on site visits.

Firebreak Qr Select Dual incorporates switches on top of the head, which allow the end user to choose which colour temperature they want to use (2700K, 3000K, 4000K or 6000K) and whether they want a 5W or 7W output.

DUAL	5W	7W	CRI:Ra
